STATE ENGINEER

(07-110) (REV. 1-81)

The proposed point of diversion under this application is for the same well as pending Applications to Change 59110 and 60015. This application is being filed in order to provide adequate diversion rate in the proposed well and changes supplemental water rights as outlined in the May 18, 1995, letter from the Division of Water Resources regarding 59108, etc.

Please use Proof of Beneficial Use map on file at the Division of Water Resources under Permit 15773 to support the existing point of diversion and place of use, map filed in support of Applications 59110 and 60015 for the proposed point of diversion and place of use, and maps filed in support of Applications 59114 and 59121 for the area within the existing place of use to be removed from irrigation.
